Cloud Functions
Deployment

MY CORE

Passionate about building innovative apps that benefit society and contribute to a community. I have thorough experience with Flutterflow and Firebase and can turn any UI to a fully-functional app.

SELECTED WORK

Hasta / Mobile App
Mar 2024, MA

In-person car auction platform allows buyers preview cars pre-auction; staff manage logistics. Multilanguage app built with Flutterflow (supports Fr, Ar, En).

TECH STACK

Firebase
Flutterflow
Figma

Juggle / Mobile App
Mar 2024, US

Empowers small businesses to connect with customers via SMS. Import contacts, craft reusable templates, send/receive messages, and track metrics.
